Assemblies of God World Missions

1445 N. Boonville Ave., Springfield, MO 65802-1894

Doug and Kerry Marsh have been Assemblies of God missionaries since 1993 and have filled numerous national and international ministry positions, including US Director of Royal Rangers, a mentoring ministry for men and boys.

Doug is also a published author of two books including, “A Guy’s Journey to Manhood” — a book written for teen boys and their mentors.

Most missionaries are sent to one nation, but the Marshes are unique since they are sent to *all* nations. They minister worldwide with a prophetic call inspiring godly male role models for every boy, in every church, in every nation.

Join me in welcoming Doug to the pulpit.
